

2010 Training Clinic Series

Three of the Barry Ridge professional trainers will each be offering a one-day weekend clinic in the equestrian center's heated indoor show ring in early 2010. Whether you and your horse are active participants, or elect to just audit a session, this is a great learning opportunity at a first class facility.

March Clinic with Heike Fleuchaus:

DRESSAGE – EMPHASIZING CLASSICAL SEAT & POSITION*

Saturday, March 27th - 9:00am

(weather day, Sunday, Mar 28)

Sign-up deadline is March 20

\$75.00 to Participate \$25.00 to Audit

* Experienced professional trainer, HEIKE FLEUCHAUS, will lead a 1-day clinic session focusing on position awareness and its relationship to the horse's performance. You will discover new ways to sit quietly and use the "less is more" approach to getting the most out of your horse. If your expectation is for your horse to be a superior athlete, you need to learn to be one as well. Utilizing unique "out-of-the-box" techniques, you and your horse will benefit from small group instruction of three or less horse and riders at one time.
